PETITION TO BAYSIDE COUNCIL AGAINST A SKATEBOARD RAMP AT THE CONCOURSE GREEN

We, the undersigned, respectfully petition Bayside City Council:

- to accept that the Concourse Green is a most distinctive, pleasing and significant civic feature of Beaumaris, and that its degradation, or use inconsistent with that function, would represent a major setback to Beaumaris and its character;
- to retain therefore the Concourse Green in its present state, **without a skateboard ramp** or other structure as recently proposed by Council, as a fully grassed and treed open space area with undisturbed access to all members of the public for rest and informal recreation.
