

Our Villages Our Plan

official campaign launch

Hampton street **village**

Church street **village**

Bay street **village**

Sandringham **village**

Bayside's villages

Sandringham Village, Hampton Street, Bay Street and Church Street – are the heart and soul of our community but the Victorian Government targets them for high-density development.

Bayside City Council has a plan to protect their charm and character but we need your help. Bring your friends and family to the official launch and help protect our villages.

Sandringham Village (opposite the railway station)

Thursday 21 August 2008

1pm to 2pm

Free sausage sizzle!
